INVITATION
INTERNATIONAL SYMPOSIUM HAIFA - DÜSSELDORF
„CLINICAL ONCOLOGY“
30.03. - 01.04.2011 IN DÜSSELDORF

Dear colleagues,

the knowledge of the interdisciplinary radiation oncology will almost double every two years. At the conference in Düsseldorf you will be presented with 26 international and 74 national experts, the latest standards of therapy and oncology consensus recommendations and research from France, the Netherlands, Israel and the US.

30.03.2011

Lymphoma, leukemia and lung cancer

31.03.2011

Surgical and gastroenterological oncology

Head & Neck cancer, breast cancer, pediatric oncology

01.04.2011

Urological oncology

Health law in oncology

Each participant will receive a free daily symposium volume „Clinical oncology“

Registration at www.uni-duesseldorf.de/tumorzentrum.

We look forward to welcome you

Yours sincerely,

Stephan Roth
